

# Nothing's Too Big for the Lord Lhu Studios

[Verse]

[C] Stars shine bright the night time sky  
Speak of your [F] love and roll on [C] by  
Mountains stand [Am] tall  
Speak of your [G] strength  
Faith takes [F] hold  
Eyes [G] behold

[Pre Chorus]

[Chorus]

[C] Nothing's too big for the [G] Lord  
Just as it [Am] says in His [F] word  
Captives set [C] free [G]  
He parts the [Am] sea [F]  
Rolled back the [F] stone  
With [G] Jesus you're never [C] alone

[Verse 2]

The winds may [Am] howl  
The storm may [C] rage  
Life feels like a [F] story on a torn-up [C] page  
But a mustard [Am] seed is all I [G] need [F]  
Faith like a [G] tiny seed

[Chorus]

[C] Nothing's too big for the [G] Lord  
Just as it [Am] says in His [F] word  
Captives set [C] free [G]  
He parts the [Am] sea [F]  
Rolled back the [F] stone  
With [G] Jesus you're never [C] alone

[Bridge]

[Am] When shadows [G] fall and hope feels [F] gone  
He's the [Am] light we [G] lean [F] upon  
Chains will [C] shatter  
Walls will [G] fall  
Through His [Am] power  
We stand [F] tall
